

Kotak Life Insurance Embarks on an Aggressive Plan in Haryana

- ◆ Commences operations at Yamunanagar
- ◆ Plans to expand to 160 offices across the country by year-end
- ◆ To focus on deeper penetration in Haryana for larger share of the insurance market

Yamunanagar, October 19 2007: Kotak Mahindra Old Mutual Life Insurance Limited (Kotak Life Insurance) today announced the launch of its new branch office at Yamunanagar. This is Kotak Life Insurance's 8th branch office in Haryana after Faridabad, Hissar, Kaithal Karnal, Ambala, Rohtak and Panipat. The move is aimed at making deeper inroads to harness the true potential of the state. **Mr. Yog Raj Sharma, Senior Vice-President, Sales - Northern Region, Kotak Life Insurance** inaugurated the new branch office located at SCO 134, Sector 17, Second floor, Huda Jagadhari, Yamunanagar.

Apart from Yamunanagar, the branch will cater to other important markets like Jagadhri, Bilaspur, Chchrauli, Sadhaura, Radaur and Indri. The Company plans to recruit over 150 new life advisors in Yamunanagar who will focus on providing need-based financial advice to the customers in the region. Kotak Life Insurance continues to invest heavily in maintaining a well-recruited, professionally-trained, and well-monitored life advisor force that is capable of providing the appropriate advice and recommend customised solutions to consumers. Kotak Life Insurance is optimistic to continue growing at a 100% rate in the next couple of years. Currently, the Company has around 25,000 active life advisors and plans are underway to increase this to around 40,000 in the current financial year.

This move is part of the Company's strategy to set up a robust multi-point distribution network to cater to the mass market in the country. With this new addition, Kotak Life Insurance now has 97 branches in 65 important locations across India.

Speaking at the occasion **Mr. Yog Raj Sharma** said, "We are extremely bullish with the response we have received so far from our customers in Haryana and Punjab. Yesterday we commenced operations at Rohtak and Panipat, with this new addition at Yamunanagar, we are confident of accomplishing our vision to emerge as a dominant player in the life insurance market in the state. We are ramping up our distribution significantly and will expand to 160 offices by year end - mainly in smaller towns. We have identified 5 specific markets for expansion which include Gujarat, Punjab, Haryana, Maharashtra and Kerala and this expansion is another step in that direction."

About Kotak Life Insurance's Performance and Products

For the quarter ending 30th June '07, the Company's Adjusted Premium Equivalent (APE), a standard measure in the Industry that takes Single Premium Income at 10%, has grown from Rs. 68.13 crores (in the quarter ending 30th June '06) to Rs. 107.23 crores, a growth of 57%. Kotak Life Insurance also saw its Total Premium Income jump from Rs 123.66 crores to Rs. 205.1 crores in the same period, a growth of 66%.

Sometime back the Company launched its first Direct Marketing Branch at Mumbai with the aim to develop a closer bond with its valued customers and respond better to their needs by providing them with more effective and efficient services.

Recently, the Company announced the launch of two innovative offerings from its stable viz. Kotak Platinum Advantage Plan and Kotak Eternal Life Plans.

'**Kotak Platinum Advantage Plan**' capital protection, embedded investment advice, life cover and aggressive market linked growth options in one life insurance plan. It also offers the flexibility to adjust the risk profile and tenure of investments based on evolving needs that come with various stages in a person's life. A unique blend of safety and returns, Platinum Advantage Plan allows customers to park their monies either in the Shield Account (which offers a guaranteed amount on maturity), or opt for the Dynamic Account (which allows access to more aggressive investment options) depending on his risk profile. Alternatively, he can opt for a combination of both the accounts which provides the comfort of a guarantee underpin with the opportunity to take some additional aggressive market exposure.

'Kotak Eternal Life Plans' is a new-generation participating whole life policy that provides enhanced protection (till the golden age of 99); even while bringing two significant benefits of wealth creation and protection. The plans provide for a high cover at lower premiums, cash lumpsum benefits at the end of Premium Payment Term and increased choice through a range of plan options. Designed in two unique variants, the product has been packaged to suit different sets and needs of customers.

Eternal Life Premier Shield is a first-of-its-kind offering in the industry. This allows an increasing premium option keeping pace with the customer's income even while offering affordable protection right from start. The **Premier Shield** offers a fixed 5% increase per year in the premium to a young policyholder allowing him to access high cover and level premium. Eternal Life Classic Shield is the conventional fixed premium option suitable at all ages.

Since inception, Kotak Life Insurance has been the market leader in the Guaranteed Fund space. Kotak Life Insurance Capital Guarantee feature is an ideal offering from the Company aimed at smart capital market investors. Products like Kotak Safe Investment Plan and Kotak Flexi Plan are all designed on these platforms.

Last year the Company introduced Kotak Headstart Child Plans, which is designed not only to protect the child but also provide financial security in the future, even in case of the insured parent's unfortunate death. Ever since being launched, Headstart has already been received with great enthusiasm across the country.

Headstart Child Plans comes with an innovative offering and a first-of-its-kind in the Indian Life Insurance Industry - the Dynamic Floor Fund (DFF). The fund strives for long term capital growth while providing capital protection in cases of volatile market behavior. This fund is ideally suited to the more risk-averse investor whose priority is capital preservation but who still wants to participate in actively managed upside market growth. It helps customers who may find it difficult to take a view on the markets and may not be in a position to efficiently switch from one fund to another to balance risk and return.
